Permission is given to make digital or film photographs of objects in the RMSC's collections for research purposes only. Researcher must provide the RMSC with one complete set of photographic prints or digital files. RMSC retains copyright to all images. Any publication, distribution, or reproduction of these photographs is not allowed without prior written permission of the RMSC.

The undersigned also agrees to follow standard RMSC object handling procedures and practices when working with collections.

I agree to abide by these conditions:
